To Whom It May Concern:

I am writing this letter as a positive recommendation for Tiana Grap. Tiana's dedication, organizational skills, teaching style, and enthusiasm are unprecedented. Tiana will make an outstanding teacher and a great addition to any school that chooses to employ her.

I have been fortunate to get to know Tiana over the past two years as a PEP Grant Physical Activity Leader (PAL) at Bidwell Junior High School. Tiana was originally a BLAST After School employee at Bidwell and was hired to take on the added PEP PAL responsibilities. In addition to teaching an academic classroom and activities for BLAST, Tiana organizes the golf team, coaches the intramural teams, teaches healthy cooking lessons and collects physical activity data on all students enrolled in the after school program.

I have been most impressed with Tiana's organizational skills and ability to take initiative. Tiana is very self-directed and contributes valuable ideas to the program. She goes above and beyond her responsibilities to enhance the after school program and collect reliable data. Tiana gains respect from students because of effective discipline, but she also gains their acceptance because she takes the extra step on a daily basis to make personal connections with the students.

Tiana's consistency, energy and quality teaching will enhance any school she becomes a part of. It is with my highest regard that I recommend Tiana Grap for the Chico Unified School District.

Thank you for your time.

Sincerely,
